TOSIBOX Key

- TOSIBOX Key
- TOSIBOX SoftKey
- TOSIBOX Mobile Client

PRODUCT DESCRIPTION

TOSIBOX® Key is an intelligent cryptoprocessing device that enables a secure connection between your computer and one or more TOSIBOX® Locks, giving you full visibility and control over the network devices connected to the Lock. The Key is fully compatible with all existing TOSIBOX® products.

TOSIBOX® SoftKey is a computer software that works without a physical TOSIBOX® Key device. The SoftKey corresponds to a Sub Key that is controlled via a physical Master Key.

TOSIBOX® Mobile Client extends the current TOSIBOX® solution, giving you secure and easy remote access on the go. The application is available for iPhones, iPads and Android devices.
