# T SERIES, MODULAR BEACON, Ø75MM

859501313
LED Steady/flashing, Ø75mm, Amber, 230-240 V ac,
TDC

- Ø75mm Modular beacon
- Steady, flashing and Multi-strobe light options
- Wide control voltage range

## PRODUCT DESCRIPTION

AUERs T Series range begins with a Ø 75 mm large comprehensive modular beacon range, the design is modern, efficient with long-life LED beacons in functions. Settings include LED steady/flashing which are both externally addressable and LED multi strobe, both strobe patterns, which are 6 times fast strobe and multi strobe, are again externally addressable.

Also including a steady beacon option with BA15d socket for 7 W incandescent bulb, the T Series can be used for a range of applications involving industrial and general applications. It is fir for plc applications like leakage and inrush current. And has a UL type of 4/4X/13 (excluding TNL and TMW+TVS).

There are also optionally available protective vents for pressure balance in harsh weather conditions (humidity, high temperature fluctuations, etc.) for TMW, TMF, TNL. A comprehensive range of selectable mounting options, and an Ingress protection of IP66.

# TECHNICAL DATA

## GENERAL DATA

| Lens colour | Orange |
|---|---|
| Light type | Flashing, Steady |
| Light source | LED |
| Mounting | Bayonet |

## RATED OPERATING CONDITIONS

| Nominal Supply Voltage | 230-240 V AC |
|---|---|
| Nominal current | 66 mA |
| Flash frequency | 2 Hz |
| Operational temperature | -30°C ... 60°C |

| Terminal connection | 2,5 mm² |
|---|---|

## DIMENSIONS

| Height | 75 mm |
|---|---|
| Diameter | 75 mm |
| Weight | 86 g |

## ADDITIONAL DATA

| IP class | IP66 |
|---|---|
| IK class | 8 |
