

HANDLES AND KNOBS

295078

Drop shaped handle with cast-in insert, 18mm

- Polyamide
- Various handles
- Various twisters
- Various knobs
- For retrofitting or cast-in insert

PRODUCT DESCRIPTION

Handle and knob in two designs.

For standard insert: Can be fitted afterwards - parts do not stick out during transport. Suitable for transporting cabinets or boxes so the knobs are not damaged.

For cast-in insert: When the application requires a permanently mounted knob on the lock.

Supplied complete with required screw and cover washer.
