# HANDLES AND KNOBS

295072
Star knob 'open-close' for standard insert, Square 8 / M6

- Polyamide
- Various handles
- Various twisters
- Various knobs
- For retrofitting or cast-in insert

### PRODUCT DESCRIPTION

Handle and knob in two designs.
For standard insert: Can be fitted afterwards - parts do not stick out during transport. Suitable for transporting cabinets or boxes so the knobs are not damaged.
For cast-in insert: When the application requires a permanently mounted knob on the lock.

Supplied complete with required screw and cover washer.
