

## HANDLES AND KNOBS

265056

L-handle for standard insert, Square 8 / M6

- Polyamide
- Various handles
- Various twisters
- Various knobs
- For retrofitting or cast-in insert

### PRODUCT DESCRIPTION

Handle and knob in two designs.

For standard insert: Can be fitted afterwards - parts do not stick out during transport. Suitable for transporting cabinets or boxes so the knobs are not damaged.

For cast-in insert: When the application requires a permanently mounted knob on the lock.

Supplied complete with required screw and cover washer.
