

ADAPTER FOR PADLOCK

293025

Adapter for padlock, stainless steel 304

- Adapter for locking with a padlock
- Suitable for 90° lock
- Stainless steel
- Hole pattern 22.5mm
- Accessories for 90° lock

PRODUCT DESCRIPTION

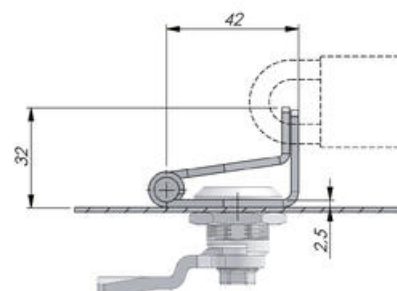

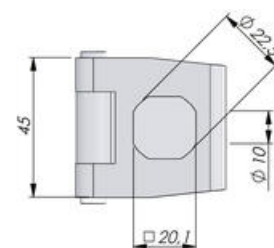

This adapter fits 90° locks that must be secured with a padlock. Fits lock mounted in "Combi" hole punch.

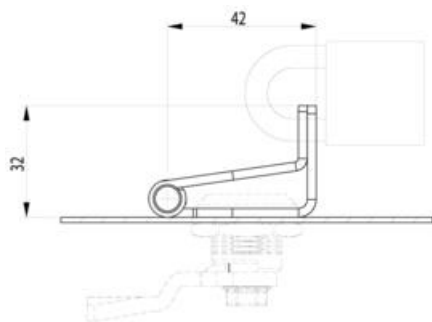

Note: When choosing a rule, add 2.5mm to the H dimension to compensate for the sheet thickness of the padlock overhang.
