

QUARTER-TURN STAINLESS 18MM LOCK

2313-3053532245

Quarter-turn 18mm, SS 303, square 8, IP65 assembled,
22/45mm

- 18mm lock housing
- IP65
- 90°
- Stainless/acid resistant
- Configurable

PRODUCT DESCRIPTION

A complete lock consists of lock housing, nut, insert, washer, screw and rule.

This variant is structured with a product key, which is resolved together with the product manager.

Lock housing: Stainless steel.

Nut: Stainless steel

Lock housing variant: square with size 8

Material Lock housing: Stainless steel

Ip class: IP65 assembled

Rule: Stainless steel

H/L measurements: 22/45 mm

To achieve a higher tightness class, IP65 *, you add an O-ring and flat gasket (included in option "IP65"). The locks can be delivered unassembled, preassembled with enclosed rule or in complete assembled condition.

*=also rated "Waterproof according to NEMA 4".

Example: Lock housing - stainless A=28 B=4, nut - stainless, insert Square 8 - RF, IP65 / NEMA 4 mounting and rule - stainless for H=22 gives the following article number: 2313-305353-2245.

Tightness class IP65/NEMA4 is obtained by mounting an O-ring on the insert and a seal on the lock housing.

TECHNICAL DATA

Configurable	Yes
Dimension H	22 mm
Dimension L	45 mm
Material lock housing	Stainless steel 303
