- 2mm to 6.5mm blade width
- Optimised for Conta-Clip Screw terminals
- Insulated shaft version in acc. VDE 0680 pt 2
- 5, 6 and 8mm Hex T-bars
- 5, 6 and 8mm Hex T-bars

PRODUCT DESCRIPTION

A wide variety of screwdrivers is available that has been designed to be used with the CONTA-CONNECT range of products. They ensure that wires and cables are safely connected to CONTA CLIP terminal blocks with the blade sizes optimised to match the screws, hence providing slip free operation. These tools are available in insulated or uninsulated versions and have high-quality and long-lasting bits.
