EASY ROLLER CABLE DRUM UNWINDER

52055384
Easy Roller Cable drum unwinder

- Very robust and lightweight design
- 30% less weight than conventional cable drum unwinder, one of the lightest unwinders on the market
- Ramp with shallow angle for easy coiling and uncoiling of the cable drum
- Possible to fit to the cable drum diameter
- Use of high-quality bearings, allowing the drum to be unwound quickly and easily
