JOYSTICKS

Joystick heads & contacts

LMV4F Joystick 4 Position Stable Lock In 0

- Mounts in Ø22.5 mm hole
- 2 or 4 way plus centre off
- Stable or spring return
- · Centre position latched or unlatched

BACO

PRODUCT DESCRIPTION

Joystick heads are available in 2 or 4 way, stable or spring return and with latched (button to release) or non latched centre off. All heads come with a 3 position contact holder clip but the M11 contact blocks must be ordered separately.

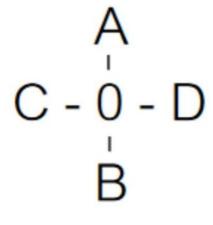

The joystick heads require a special contact block (M11) that has 2 x N/O electrical contacts. The contacts will always be open when the head is in the centre off position and will close respectively in each of 2 positions.

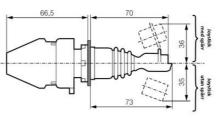

A 2 way joystick can have 1 or 2 x M11 contact blocks to achieve 1 or 2 separate closed contacts in each of the 2 positions respectively excluding the centre off position.

A 4 way joystick requires 2 x M11 contact blocks to achieve a separate closed contact in each of the 4 positions excluding the centre off position.

TECHNICAL DATA

| Climatic resistance - constant humid heat | IEC 60068-2-3 |
|---|----------------|
| Climatic resistance - cyclic damp heat | IEC 60068-2-30 |
| Climatic resistance - sea air | IEC 60068-2-52 |
| Function | Stable |
| IP class | IP65 |
| Positions | 5 |
| Protection class | II |
| Storage temperature max | 70 °C |
| Storage temperature min | -40 °C |
| Temperature operational max | 70 °C |
