EXOLÖF AI HD CAMERA

- 170° viewing angle
- Pedestrian, Cyclist and Vehicle Warnings
- 1080P/5MP
- IP69K and vibration resistant

PRODUCT DESCRIPTION

Exolöf's AI 1080P waterproof vehicle camera with 170° image correction is designed to improve the driver's visibility and safety. The wide 170° viewing angle reduces blind spots, while image correction technology eliminates lens distortion for a more accurate reproduction. The camera's IP69K rating ensures reliable performance in harsh weather conditions, and its night vision feature with a range of 8-10 meters allows for clear vision even in low light. It is also vibration resistant according to ISO 16750-3 2012 (5.9G), making it suitable for various vehicle types.
