Starfish Fixing Kit For H05 Cable

- Grommet EPDM - Starfish H07 e H05 version
- Grommet Viton - Starfish-Viton H07 version
- Grommet Megol - Starfish-Drink H07 version
- Patented

PRODUCT DESCRIPTION

This professional accessory is suitable for all types of pipes, it enables the float switch to be fixed both vertically and horizontally according to user's need. Unlike using a single plastic tie, the cable holder prevents damages on the fixing point caused by the float switch's weight, therefore extending its service life.
