

ACCESSORIES FOR CABLE TRUNKING

DUCTAMARK1

ID Tag for T1 Trunking , 100pcs/pk - B07501

- ID Tag For T1 Trunking
- Fixing Clip For T1 Trunking
- Cable Tie Clip For T1 Trunking

PRODUCT DESCRIPTION

Iboco's cable trunking accessories are designed to complement and enhance efficient cable management. The ID tags provide clear and durable labeling for easy identification of cables, while fixing clips ensure secure and stable attachment of trunking runs to surfaces. Additionally, cable tie clips offer organised routing and fastening of individual cables within the trunking system, maintaining neatness and accessibility.
