

POWER SUPPLIES, BROOME

36200000A

Power supply 10 A, 400VAC/24VC

- Direct installation to Crossboard
- Efficiency of 95% permits an intallation width of 45 mm
- Self-protected at short-circuit with intelligent re-start
- No pre-fuse needed
- Overvoltage capacity up to 6 kV

**PRODUCT DESCRIPTION****TECHNICAL DATA**

Dimensions width x height x depth	45 x 160 x 130
Pack size	1
Weight	71,8 g
