MOLEX - MPM DIN-SPLITTER / MINI-SPLITTER / Y-CABLE HARNESS

DIN-SPLITTER

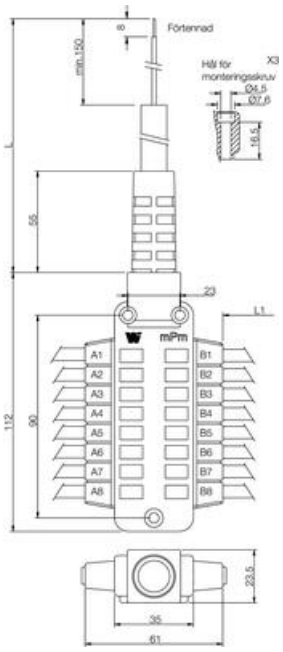

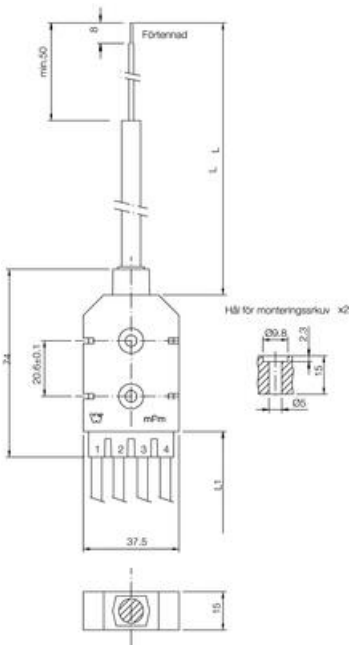

- Quick and simple installation
- Options of different transient protection
- Customised product

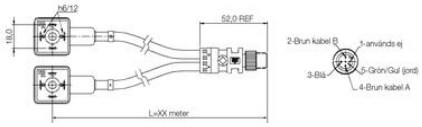

PRODUCT DESCRIPTION

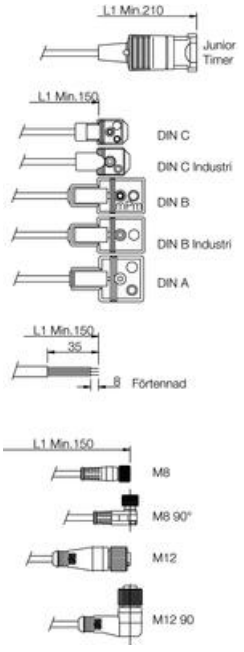

Flexible solution to avoid tangled cables, custom built to suit application. There is a wide range of options for connector heads with or without LED and transient protection, as well as cable types and cable lengths. IP67 on the connectors if required.

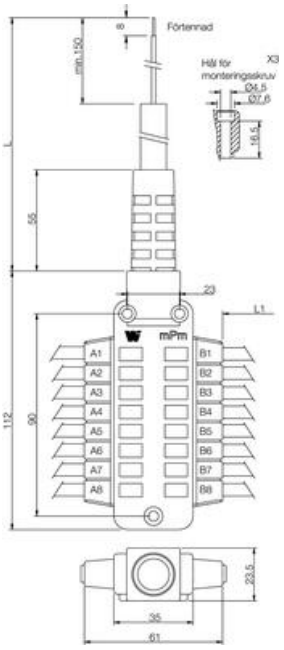

Due to these products being customised, please contact us with your specifications. We can then arrange a quote for you.
