## **ZEBRA FS40 SMART CAMERA**

FS40-SR20F4-2C00W FS40, SR, 2.3 MP, Fast 2D, RED

- High Performance Data Capture: The FS40 features Zebra's PRZM Intelligent Imaging technology for reliable first-time data capture of 1D, 2D, and DPM barcodes, even on challenging surfacest
- Easy Setup and Operation: With Auto-Tune and Zebra Aurora software, the FS40 is easy to set up and deploy, offering quick image adjustments and simplified management of barcode scanning and machine vision
- · Flexibility and Future-Proofing: The FS40 supports a wide range of symbologies and can be upgraded through software licenses for faster barcode capture or machine vision capabilities
- Integrated and Customizable Lighting: The scanner includes powerful, integrated lighting options—red, white, blue, or infrared—for capturing high-quality images, eliminating the need for external lighting
- Rugged Design: Built for industrial environments, the FS40 has an IP65/IP67 rating, is resistant to dust and water, and operates reliably in harsh conditions

## PRODUCT DESCRIPTION

Track every item in your production with the FS40 in real time. Thanks to several connection options, it is easy to integrate with your PLC. Zebra's powerful Aurora software with its intuitive interface makes the FS40 easy to install, deploy and use. It is also possible to easily upgrade your scanner to gain access to new functions and future-proof your investment.

# **TECHNICAL DATA**

| Focus                | Liquid lens   |
|----------------------|---|
| Interface out        | Ethernet with POE, Serial, USB & Industrial Protocols |
| Lighting             | Red   |
| Resolution           | 2.3 MP  |
| Size                 | 54.0 x 64.0 x 91.4                                    |
| Software performance | Fast 2D Barcode Decoder                               |
| Type of lens         | Standard  |
| Type of scanner      | Fixed Scanner   |
