

## LOCC BOX ACCESSORIES

716421

LOCC-Box Supply terminal with busbar breakout

- Power terminal block for Electronic fuse
- Power terminal for implementation
- Cover for copper rail 1m
- Minus terminal with 6 outputs

### PRODUCT DESCRIPTION

### TECHNICAL DATA

#### INPUT DATA

Power through distribution beam max	40 A
-------------------------------------	------

#### CONNECTION DATA

Cross section min	0.33 mm <sup>2</sup>
Cross section max	10 mm <sup>2</sup>
IP class	IP20

#### ADDITIONAL DATA

Temperature operational min	-25 °C
Temperature operational max	50 °C
