### AQI External Links

16209.4  
AQI/IRC/16 -16 pole External Cross connector, IRC  
relay base, Black

- Insulated for protection
- Reliable & secure fixing

### PRODUCT DESCRIPTION

External cross connection links makes it possible to connect potentials of terminals where there is no option of a central cross connection channel.

These links are quicker, easier and a more reliable way of linking than using wire links with ferrules.

When using the external, the rated cross section of wire is reduced to the next smallest size.
