END PLATES FOR ZST TERMINALS

ZAPSK, ZAPST, ZAPS

3685.2
ZAPST 2.5/1A/Q Beige, End plate for ZST2.5/1A/Q plug

- for ZSTK, ZST, ZRKS and ZSLS Terminals

PRODUCT DESCRIPTION

End plates are usually inserted at the end of a rail of terminals or when a smaller terminal is used next to a larger one.
This ensures contact protection and the safety of fingers.
The outer dimensions of the end plates correspond to the dimensions of the terminal blocks.
Coloured end plates are often used to mark different power circuits or a change in voltage.
The use of end plates lengthens the airways and leakage paths, which in turn influences the rated voltage.

TECHNICAL DATA

Colour	Beige
Material	Polyamide 6.6
Operating temperature to	120 °C
Operating temperature from	-40 °C
Flammability class	UL94-V0

Length	39 mm
Width	0.6 mm
Height	19.4 mm

Tariff code	85369010
Pack size	50
Weight	0.25 g
Country of origin	DE
