

END PLATES FOR ZST TERMINALS

ZAPSK, ZAPST, ZAPS

3685.2

ZAPST 2.5/1A/Q Beige, End plate for ZST2.5/1A/Q plug

- for ZSTK, ZST, ZRKS and ZSLS Terminals

PRODUCT DESCRIPTION

End plates are usually inserted at the end of a rail of terminals or when a smaller terminal is used next to a larger one. This ensures contact protection and the safety of fingers. The outer dimensions of the end plates correspond to the dimensions of the terminal blocks. Coloured end plates are often used to mark different power circuits or a change in voltage. The use of end plates lengthens the airways and leakage paths, which in turn influences the rated voltage.

TECHNICAL DATA

GENERAL DATA

Colour	Beige
--------	-------

DIMENSIONS

Length	39 mm
Width	0.6 mm
Height	19.4 mm

MATERIALS

Material	Polyamide 6.6
Flammability class	UL94-V0
Operating temperature from	-40 °C
Operating temperature to	120 °C

ADDITIONAL DATA

Tariff code	85369010
Country of origin	DE
Weight	0.25 g
Pack size	50
