

TRANSFORMER TERMINAL MARKER STRIPS

SB 7.5, PMC SB7.5

9326.7

PMC SB 7,5/40 terminal marker/Pocket-Maxicard

- For TK and TKS series
- Pre-Printed
- Blanks
- Custom versions on request
- Can be hand marked

PRODUCT DESCRIPTION

The SB7.5 and PMC SB7.5 range of terminal markers are designed to fit the TK and TKS range of transformer terminals. The SB strips are taken from the PMC Pocket-Maxicards, which have one sheet which contains 5 strips of 8 marker.

These are available Pre-printed or in blanks for hand marking. Custom print is also an option.
