PRODUCT DESCRIPTION

The EMS Easy Marking System series features excellent versatility and ease of use for all your marking requirements and is available in A3 format or the A4 Eco version.
Up to 800 markers can be plotted in a single operation for the EMS-2 DIN A3 with 4 inlays and 400 markers for the EMS-2 DIN A4 with 2 inlays.
The quick and easy loading of the marker cards and the additional automatic inlay recognition makes them straight forward to use.
The accompanying labelling software, CONTA-Sign, is available in ten languages (German, English, French, Spanish, Hungarian, Italian, Dutch, Polish, Russian, Swedish) and supports most manufacturers marking media.
High-quality labelling is ensured by the combination of our PP and PPE pens and the double-sided plotter arm design.
An optional engraving unit is also available to enable engraving on metal and plastic media.
