CROSS CONNECTORS FOR PRK, PSL, PRKD, PPVK, PTKS RANGE

Push In Terminal Cross Connectors - PQI

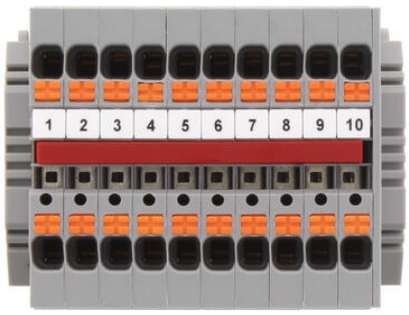

27172.5
PQI 16/2, 2 way Cross connector for PRK/PSL 16mm - Blue

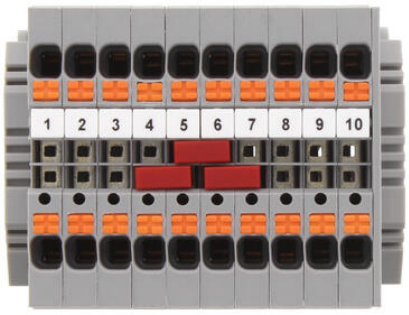

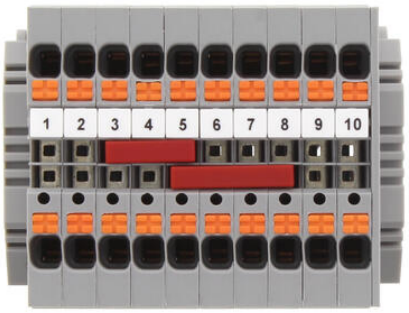

- Fully rated for the matching terminal
- Plug in for fast and easy connection
- Pins can be removed for jumping terminals

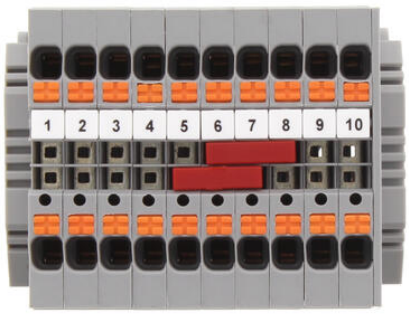

PRODUCT DESCRIPTION

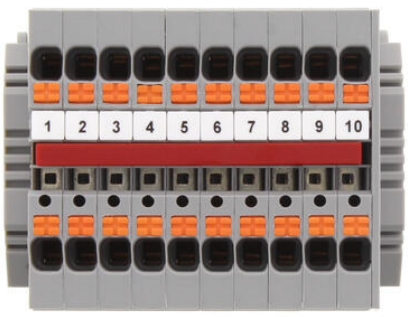

The PQI pluggable cross-connectors helps you to save time while distributing potentials over terminal blocks of similar or different cross-section ranges.
The pluggable design of the PQI offers the advantage that it can carry the full rated current even while operating at the fully rated voltage.
The PQI is insulated to protect against accidental touch and is available in the cross-section range from 1.5 mm² to 10 mm² in 2-, 3-, 4-, 10- and 20-pole versions and 2 way for 16mm² terminals.
Standard colour is Red, but Blue & Black are also available.
