

**WLK/FLK, BEACON, Ø60MM**

820002900

Steady beacon, Ø60mm, Red, WLK

- Ø60mm Beacon
- Steady, Flashing or Strobe options
- >250 V ac/dc Control voltage

**PRODUCT DESCRIPTION**

The WLK and FLK Series from AUER provide a cost-effective signalling solution with a high performance-to-price ratio and robust IP65 protection, making them ideal for general industrial signalling applications. These beacons come in a compact Ø60mm size and offer versatile operation modes including steady, flashing, or strobe options. Designed for flexibility, the units support both horizontal and vertical mounting. The FLK Series features a bright Xenon strobe beacon, while the WLK Series includes an incandescent bulb beacon. Both series operate with a control voltage of over 250 V AC/DC, ensuring reliable performance in various environments.

**TECHNICAL DATA****GENERAL DATA**

|                |        |
|----------------|--------|
| Lens colour    | Red    |
| Light type     | Steady |
| Light source   | LED    |
| Housing Colour | Black  |
| Lamp socket    | BA15d  |

**RATED OPERATING CONDITIONS**

|                         |                |
|-------------------------|----------------|
| Operational temperature | -30°C ... 60°C |
|-------------------------|----------------|

**DIMENSIONS**

|          |       |
|----------|-------|
| Height   | 77 mm |
| Diameter | 60 mm |
| Weight   | 40 g  |

ADDITIONAL DATA

|          |      |
