R-SERIES, MULTIFUNCTION, ULTRA PERFORMANCE, Ø110 MM

850541313
RDMUP LED multifunction beacon Ultra Performance
110-240V AC/DC Amber

- The brightest LED Signal Beacon on the market
- Up to 450 Cd luminous intensity (colour-dependent)
- Ultra bright outdoor signaling for wide area coverage
- Focused Light emission below and above the beacon to prevent blinding in nearby area
- Best in class: excellent homogenous circular light distribution – no blind spots

PRODUCT DESCRIPTION

TECHNICAL DATA

GENERAL DATA

Lens colour	Amber
Light type	Multi-function
Light source	LED
Housing Colour	Black

RATED OPERATING CONDITIONS

Nominal Supply Voltage	110-240 V AC/DC
Voltage range	+/-10%
Nominal current	520 mA
Operational temperature	-30°C … 60°C

DIMENSIONS

Height	124 mm
Diameter	110 mm
Width	110 mm
Weight	224 g

ADDITIONAL DATA

IP class	IP66
IK class	8
