

CROUZET - LINEAR SYNCHRONOUS MOTORS

805100XX

Linear actuator synchronous 230Vac 45N max 10mm

3.33mm/s

- 10 mm stroke as standard
- 27 - 45 N force
- Positioning accuracy <0.01 mm

PRODUCT DESCRIPTION

Crouzet linear synchronous motors have a standard stroke length of 10 mm, but are available up to 35 mm .

Also available with stepper motors.

Customised versions of e.g. output shaft and cable length are available for higher volume users
