

ADVANTECH - EKI INDUSTRIAL UNMANAGED ETHERNET SWITCHES

EKI-2701HPI
IEEE 802.3af/at Gigabit PoE+ Injector

- Unmanaged & monitorable unmanaged
- PoE GIG-E 24V versions
- Industrial and cost effective
- Upto 24 ports

PRODUCT DESCRIPTION

Advantech's industrial Ethernet solutions provide an abundance of product options including managed and unmanaged switches, PoE switches, EN50155- and IEC61850-3-certified switches, Ethernet converters (Ethernet adapters), VDSL extenders, and SFP modules. Our switches are built for high security and durability and are suitable for use in mission-critical environments. Additionally, with multiple industrial certifications, our industrial Ethernet solutions not only provide the highest network reliability for Ethernet hubs and network switches to meet current industrial communication standards, but they are also energy-efficient, durable, and robust.

TECHNICAL DATA

Depth	95 mm
Height	140 mm
IP class	IP30
Operating voltage dc max	48 V
Operating voltage dc min	24 V
Power consumption	33.36 W
Relative humidity	95 % Rh
Storage temperature max	85 °C
Storage temperature min	-40 °C
Temperature operational max	75 °C
Temperature operational min	-40 °C
Width	37 mm
