

ADVANTECH TPC-1051WP PC

TPC1051WPW14G64CF

- 10.1 "screen
- 16: 9 wide multi touch
- IP66 in front
- For recessed mounting

PRODUCT DESCRIPTION

Advantech's TPC series is suitable for all types of applications. As it's IP66 classified in the front it means it can handle everything from heavy industries to clean cabinet applications.

The TPC-1051WP comes with a lighter hardware suitable for client applications or web-based services.

The panel is designed with "truffle" technology, making the frame edge completely non-existent and perceived as a good overall impression.

Besides the standard ports, there is also the possibility of extra expansion thanks to the iDoor modules, these modules allow extra expansion for eg USB, Wifi, Profinet or TCP / IP. There are 35 different modules today supporting more than 450 different protocols.

TECHNICAL DATA

Approvals	CCC, CE, FCC, UL, BSMI
Backlight	LED
Clock speed	1.75 GHz
Contrast	1300:1
CPU	Atom E3827
Depth	61.4 mm
Display format	16:9
Display resolution	1280x800
Display size	10.1
Front panel thickness	7 mm
Hard drive size	64 GB
Height	202.3 mm
Hole size	274,6x193,8

IP class	IP66
Luminance	300 cd/m ²
Material front frame	Aluminium
Material protection	Zinc plated steel
Memory (RAM)	4 GB
Number of cores CPU	2
Power consumption	36 W
Power supply	24 V DC
Storage temperature max	70 °C
Storage temperature min	-30 °C
Temperature operational max	55 °C
Temperature operational min	-20 °C
Weight	2.56 kg
Width	283.1 mm
Viewing angle	170/170
