

ADVANTECH TPC-1551WP PC

TPC1551WP-BASICDATA

- 15,6" screen
- 16:9 wide multi touch
- IP66 in front
- For recessed mounting

PRODUCT DESCRIPTION

Advantech's TPC series is suitable for all types of applications. As it's IP66 classified in the front it means it can handle everything from heavy industries to clean cabinet applications.

The TPC-1551WP comes with a lighter hardware suitable for client applications or web-based services.

The panel is designed with "truffle" technology, making the frame edge completely non-existent and perceived as a good overall impression.

Besides the standard ports, there is also the possibility of extra expansion thanks to the iDoor modules, these modules allow extra expansion for eg USB, Wifi, Profinet or TCP / IP. There are 35 different modules today supporting more than 450 different protocols.

TECHNICAL DATA

Approvals	CCC, CE, FCC, UL, BSMI
Backlight	LED
Clock speed	1.75 GHz
Contrast	500:1
CPU	Atom E3827
Depth	61.9 mm
Display format	16:9
Display resolution	1366x768
Display size	15.6
Front panel thickness	7 mm
Height	269 mm
Hole size	412,4x261,7
IP class	IP66

Luminance	300 cd/m²
Material front frame	Aluminium
Material protection	Zinc plated steel
Memory (RAM)	4 GB
Number of cores CPU	2
Number of display colours	16.7
Power consumption	48 W
Power supply	24 V DC
Storage temperature max	60 °C
Storage temperature min	-20 °C
Temperature operational max	55 °C
Temperature operational min	-20 °C
Weight	5 kg
Width	419.7 mm
Viewing angle	170/160
