

NVIDIA JETSON ORIN NX 16GB RUGGEDIZED AI SYSTEM

MIC-715-OX4A1

- Ruggedized IP67 waterproof fanless design
- Embedded with NVIDIA® Jetson Orin™ NX up to 100 TOPS
- 2 x GbE and 4 x PoE with IEEE 802.3af compliance
- 2 x USB 3.0, 1 x CANbus, 1 x HDMI
- Supports 2 x mPCIe, 1 x M.2 3052, 1 x M.2 2280

PRODUCT DESCRIPTION

The Advantech MIC-715-OX is a ruggedized, fanless AI network video recorder designed for harsh environments, featuring an IP67 waterproof rating. Powered by the NVIDIA® Jetson Orin™ NX, it delivers up to 100 TOPS of AI performance, making it ideal for industrial and in-vehicle applications. It supports 2 x GbE and 4 x PoE interfaces, 2 x USB 3.0, CAN bus, HDMI, and multiple expansion options including M.2 and Mini PCIe. This versatile system also supports remote monitoring and over-the-air (OTA) updates via the Allxon platform
