PRODUCT DESCRIPTION

The Advantech PPC-315SW-PDI3A is a 15.6" widescreen industrial panel PC powered by a 13th Gen Intel® Core™ i3-1315UE 6-core processor. Designed for rugged environments, it features a true-flat projected capacitive touchscreen and an IP66-rated front panel for enhanced protection. With a fanless aluminum enclosure, it supports full HD resolution (1920x1080), dual LAN with TSN, and expansion via PCI/PCIe and M.2 slots. It runs Windows, Linux, and supports TPM 2.0 for hardware security, making it ideal for HMI, industrial control, and smart factory applications.
