KDS-BS BRUSH ENTRY SYSTEM

Brush Cable Entry - KDS-BS., KDS-BC

29004.4
KDS-BC 8/16, Brush entry frame, expanding rivet fixing, Black

- Protection from Dust and Draughts
- Edge Protection
- Quick and simple installation
- Split construction for existing installations

PRODUCT DESCRIPTION

Conta-Clips KDS-BS & KDS -BC provides a quick and simple entry system for all types of cables, hoses and pipes, with or without connectors. The brush construction provides protection from dust and draughts getting into the the panels and enclosures. They can be screwed directly on to the surface or there is a plastic rivet version which is ideal for applications where access is restricted.
The split frame means these can be retro fitted on existing installations without un-terminating.

TECHNICAL DATA

GENERAL DATA

Mounting	Rivet, Split
Colour	Black
Length	120 mm
Width	70 mm
Height	11 mm

Installed height	11 mm

MOUNTING DETAILS

Length of cutout	91 mm
Width of cutout	46 mm
