IP69 WALL MOUNTABLE POLYBOX ENCLOSURE

PolyBox

UPCT100806F
Lift-Off 4-Screws Mounting Flange Clear Lid
276x225x185mm

- Greater material thickness
- Cost-efficient mold modifications
- Lightweight products
- Durability and easy maintenance
- IK10 impact strength

PRODUCT DESCRIPTION

The UL-listed PolyBox enclosures have been specifically designed for the US market.

PolyBox enclosures are rugged industrial polycarbonate enclosures with unique and innovative characteristics, such as the integral non-metallic latch and a corner elevator mounting system for adjustable hinged front kits and back panels.

Robust and tightly sealed, the JIC sized enclosures are manufactured from a high standard of polycarbonate material.

A wide range of configurations are available and can be customised with multiple features.
