PRODUCT DESCRIPTION

Ensto Cubo C universal coverings are made of polycarbonate. Bottoms have knock-outs for FL13 / FL21 flanges on all sides. Standard color is gray RAL 7035, gray or transparent lid.

All dimensions follow 100mm modules the smallest 200x200 and the largest 400x600mm; depth 130 or 185 mm. For all sizes, there is a 55 mm deep extension frame for alternative depths.

Stackless adjustable mounting brackets (corner lifts) in the drawer latch make it possible to attach mounting plates and panels to the desired height.

The lower parts can be easily assembled into larger units, see also Ensto Cubo P Central Building System.
