

## ADVANCED ILLUMINATION DCS-100E CONTROLLER

DCS-100E

Ai Light controller, single channel, ethernet config

- High performance, compact size
- 3 adjustable channels
- Ethernet programming
- SDK for controlling (C++/C#/LabView...)

### PRODUCT DESCRIPTION

### TECHNICAL DATA

#### TECHNICAL DATA

|                             |                              |
|-----------------------------|------------------------------|
| Length                      | 115 mm                       |
| Width                       | 22 mm                        |
| Approvals                   | UL 508                       |
| Current                     | 4,5 A                        |
| Feed                        | 1x Ai C1, 1x 10/100 Ethernet |
| Temperature operational max | 50 °C                        |
| Voltage                     | 24 V                         |
| Temperature operational min | -23 °C                       |
| Trigger pulse delay         | 10µs                         |
