

POWER SOCKETS - SD 035

SD 035

03508.0-01

SD 035 Brazil Socket, 10A

- Simple mounting with clips on DIN rail
- Quick connection with push clamps
- With or without fuse holder
- 9 Socket Variants

PRODUCT DESCRIPTION

The socket is easily mounted on 35 mm DIN rail and connected with screwless push clamps. Sockets are available for most countries and all with or without fuse holders.

TECHNICAL DATA

GENERAL DATA

| | |
|------------------------|--------------------|
| Mounting | Clip on, DIN rail |
| Connection type | 3 x pressure clamp |
| Socket | AUS |
| Nominal socket current | 10 A |
| Fuse max | 10 A |

DIMENSIONS

| | |
|--------|-------|
| Length | 92 mm |
| Width | 62 mm |
| Height | 92 mm |

SAFETY & APPROVALS

| | |
|--------------------|-------------|
| Protection class | I (earthed) |
| IP class | IP20 |
| Approvals | RoHS |
| Flammability class | UL94-V0 |

MATERIALS - CONDITIONS

| | |
|--------------------------|-----------------|
| Material plastic housing | Plastic |
| Colour | Light grey |
| Operational temperature | -45°C ... +70°C |
| Storage temperature | -45°C ... +70°C |
| Operating humidity | < 90% RH |
| Humidity storage | <90% RH |

ADDITIONAL DATA

| | |
|-------------|----------|
| Weight | 0,2 kg |
| Voltage max | 250 V ac |
