

CAMERA KITS FOR TRUCKS

FRONT-TCK

Front camera system for truck

- Analog PAL/NTSC
- Digital HD
- CornerEye 270° view
- For all types of trucks

PRODUCT DESCRIPTION

The design and size of trucks can cause limitations in the field of vision to the front and right side of trucks. Orlaco supply camera kits for front view and cornereye, giving a 270° view of the front and right side of the truck.
